Sir:

In response to the Office Action dated November 21, 2002, please amend the above-identified Application as follows and consider the subsequent Remarks:

IN THE CLAIMS:

Please amend the Claims as follows:

7. (Thrice Amended) A system for extracting images comprising:
- first means for providing image data;
 - second means responsive to said first means for storing a first frame of image data consisting of a heterogeneous background scene;
 - third means responsive to said first means for providing a second frame of image data consisting of a second scene having said background scene at least partially obscured by a foreground object;
 - fourth means for subtracting said first frame from said second frame and providing a difference frame;
